Add the letter "C" to equip your safe with a UL listed mechanical combination lock. (Ex: AV2416C)

Add the letters "DL" to equip your safe with a UL listed digital lock / battery powered. (Ex: AV2416DL)

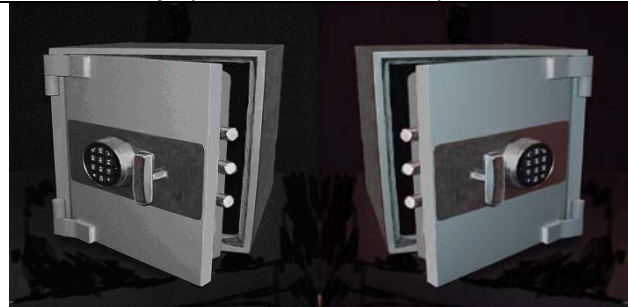

Add the letters "BIO" to equip your safe with a UL listed biometric / digital lock / battery powered. (Ex: AV2416BIO)

Models can be prepared for anchoring to the floor. (please advise if required)

~ We reserve the right to incorporate any improvements and alter any specifications without prior notice. ~

Standard Features:

- The door is constructed of 1" thick steel and a hardened steel plate protecting the lock
- The body is constructed of 1/2" thick steel
- Specially Reinforced Door Frame
- Independent Re-locking Mechanism
- Chrome Plated Locking Bolts
- Attractive & Durable Paint Finish

Left Swing

Right Swing

Universal Hinges A unique feature of this series is that the hinges were designed to permit the safe to be operated as a right swing or left swing model. The standard preparation is for a right swing door (hinges on the right side as you face the safe). *If a left swing configuration is required it must be requested at the time of order. There is a nominal charge for this service.*
