AV 6018-16	60½	18	16	61½	19	19⅝ / 21½	10.0	5	1,015

Models can be prepared for anchoring to the floor or a platform. (Please advise if required)

Standard Features:

- The door is constructed of 1" thick steel plate
- The body is constructed of 1/2" thick steel plate
- Specially reinforced door frame
- Tempered glass plate activated independent relocking mechanisms
- Chrome plated locking bolts
- Attractive & durable paint finish

Universal Hinges A unique feature of this series is that the hinges were designed to permit the safe to be operated as a right swing or left swing model. The standard preparation is for a right swing door (hinges on the right side as you face the safe). *If a left swing configuration is required it must be requested at the time of order.*
