“C” models are equipped with a UL listed mechanical combination lock.

“DL” models are equipped with a UL listed digital lock (battery powered) / other types available (call for details).

“BIO” models are equipped with a UL listed biometric/digital lock (battery powered).

All models are prepared for anchoring to the floor or a platform.

The **Gotham Series** safes were developed to fulfill the needs of those requiring a safe with additional security features (as compared to the *Professional Series*, the base model we designed for apartment and private home use). These added features are found in the mid-range safes we designed for the jewelry, watch and financial industries. With the home environment in mind, these safes are offered in a variety of beautiful colors that can be customized to coincide with your personalized décor. *We welcome your requests.*

Standard Features:

- Six-Sided *Duracrete* Composite Burglary and Fire Protection
- *Six-Sided Armor Plating Providing Advanced Security*
- *Glass Plate Protection Against Drill Attacks on the Lock*
- Independent Re-locking Mechanism
- *3-Way Active Boltwork Mechanism*
- Stainless Steel Face Plate
- 3-Spoke Capstan Handle
- *Full Length Mirror-Finished Panel on Rear of Door (offered in brass or stainless steel)*
- *Attractive Paint Finish (offered in a variety of colors)*

Optional Equipment:

- Internal Compartments, Pull-out Shelves & Drawers (Standard & Custom Designs)
- Inserts for the Organization of Jewelry, Watches, etc. (Standard & Custom Designs)
- Watch Winders
- Internal Lighting (Electrical Connection Required)
- Other Sizes & *Security Levels* Available (Inquire Within)

We reserve the right to incorporate any improvement and alter any specification without prior notice.
