# SSS SECURITY SYSTEM SERIES

## SAFES FOR RESTAURANTS, HOTELS, MOTELS, FAST FOOD, THEATERS . . .

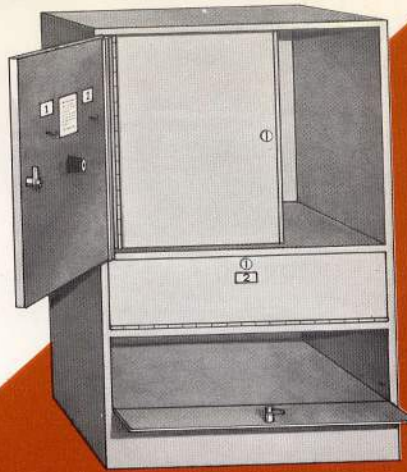

Announcing the GARY Security System Series of protection with a variety of options usually found only in safes of much higher cost. These safes can be found across the nation in convenience stores, full service restaurants, fast food outlets, service stations and many other types of businesses. Units with exterior deposit chutes vary from those accepting single bills for "stripping the register" during night time operation to units with single deposit chutes accepting envelopes for "shift" deposits. Also offered are models with storage for cash tills and double door "B" rate model depository units for armoured car pickup. These units can be "factory filled" with concrete or shipped empty for a freight savings and ease of installation. Available in a choice of decorator colors at no additional cost. Unit prices on Page 3 of our price list.
